U4.3 APPLICATION OF RATES AND CHARGES (Cont'd)

U4.3.2 SERVICE CHARGES FOR CONNECTION OF NEW SERVICE

- a. Except as provided in this tariff, all requests for service requiring either service ordering, access line work or trip to premises, are subject to the appropriate charges required to provide that service as provided in Section U4.2 preceding.
- b. When the service desired requires more than one (1) access line, the sum of the separate charges for each function applies except as provided in this tariff. Only one (1) Service Ordering Charge applies per order written regardless of the quantity of work ordered.
- c. When service is re-established at a location which has been destroyed by fire or made untenable by fire, wind or flood, Service Connection Charges do not apply. If the subscriber desires service at a new location for a temporary period, Service Charges will apply. Changes in the location of existing service to points outside the premises occupied by the subscriber are considered new service connections at the new location.
- d. Service Charges may be required to be paid at the time of application for service.
- e. Transfers of responsibility or change of name involving a change of responsibility should be handled in accordance with provisions of Section U2.3.5 of this tariff.

U4.3.3 CHARGES DO NOT APPLY IN THE CASES LISTED BELOW:

- a. Changes required for proper maintenance of the equipment or service.
- b. Changes made at the time of or due to a change in the Class-of-Service provided such inside moves or changes are necessary because of the change in Class-of-Service.
- c. Changes in the telephone numbers made in the judgment of the Company that such changes are necessary for continuation of satisfactory service.
- d. The Record Order Charge does not apply for changing the primary listing of a residence customer to the name of the remaining spouse in event of death or divorce of the spouse currently listed or to the new spouse in the event of remarriage.
- e. When a speech or impaired hearing subscriber makes subsequent application for discounted local toll rates.
- f. **For active duty members of the United States military and their dependents with valid military ID cards, all service charges typically applicable to central office reconnects will be waived when establishing service or transferring existing service from one location to another, when the location being established or transferred is within a 50-mile radius of a United States military base. Central office reconnects are defined as customer requests for service that do not require any physical work beyond the Company's central office.**
